Then heare me gracious soueraigne, and you peeres,
Which owe your liues, your faith and seruices
To this imperiall throne.
There is no bar to stay your highnesse claime to *France*
But one, which they produce from *Faramount*,
No female shall succeed in salicke land,
Which salicke land the French vniustly gloze
To be the realme of *France*:
And *Faramont* the founder of this law and female barre:
Yet their owne writers faithfully affirme
That the land salicke lyes in *Germany*,
Betweene the flouds of *Sabeck* and of *Elme*,
Where *Charles* the fift hauing subdude the Saxons,
There left behind, and setled certaine French,
Who holding in disdaine the Germaine women,
For some dishonest maners of their liues,
Establisht there this lawe. To wit,
No female shall succeed in salicke land:
Which salicke land as I said before,
Is at this time in *Germany* called *Mesene*:
Thus doth it well appeare the salicke lawe
Was not deuised for the realme of *France*,
Nor did the French possesse the salicke land,
Vntill 400. one and twentie yeares
After the function of king *Faramont*,
Godly supposed the founder of this lawe:
*Hugh Capet* also that vsurpt the crowne,
To fine his title with some showe of truth,
When in pure truth it was corrupt and naught:
Conuaid himselfe as heire to the Lady *Inger*,
Daughter to *Charles*, the foresaid Duke of *Lorain*,
So that as cleare as is the sommers Sun,
King *Pippins* title and *Hugh Capets* claime,
King *Charles* his satisfaction all appeare,
To hold in right and title of the female:
So do the Lords of *France* vntil this day,
Howbeit they would hold vp this salick lawe
